STAROGRAĐSKIM
POJEM

Starogradsko polje je najveće polje na jadranskim otocima te zaštićeno kao arheološko područje 1993. g. Parcelacija Starogradskog polja je remek djelo grčke kulture na Sredozemlju gotovo netaknuto 2400 godina.

Starogradsko polje is the largest and most productive field in the Adriatic Islands and is protected as an archaeological site in 1993. Parcelling of Starogradsko field is a masterpiece of Greek culture in the Mediterranean, and has remained virtually intact, 2400 years.
